Requesting an exception to the Curriculum calendar for this proposal to be heard at the April 2, 2021 meeting with an effective date of Fall 2021.

A similar proposal, first submitted by Professor Ransford on 1/12/2021, required modifications for Curriculum Committee approval. The original proposal was withdrawn on 3/5/2021 without having been modified.

With Dr. McGarey's approval and further input from Dr. Ilic and Math course coordinators, four Change of Course proposals have now been submitted that address the required modifications and related issues. The Curriculum Committee Chair has expressed support for bringing these actions to the April 2, 2021 meeting, with an effective date of Fall 2021 if approved.
