Requesting an exception to the Curriculum calendar for this proposal to be heard at the April 2, 2021 meeting with an effective date of Fall 2021.

A similar proposal, first submitted by Professor Ransford on 1/12/2021, required modifications for Curriculum Committee approval. The original proposal was withdrawn on 3/5/2021 without having been modified.

With Dr. McGarey's approval and further input from Dr. Ilic and Math course coordinators, four Change of Course proposals have now been submitted that address the required modifications and related issues. The Curriculum Committee Chair has expressed support for bringing these actions to the April 2, 2021 meeting, with an effective date of Fall 2021 if approved.

Comments for [Exception (Requires explanation and approval)] - 1. Department of Math

Sheila Seelau

4/12/2021 11:40 am [Reply](#)

4/2/2021: Committee accepted Change of Courses proposal for MAC 1114 Trigonometry, removing the "graphing calculator" language (requirement) from course description and learning objectives (CLOs). Phrase "without a calculator" in CLOs changed to "analytically."

Finalized files uploaded 4/12/21.

Department: Please notify Follett bookstore of this change so they may adjust their inventory.

Please forward final Syllabus (11b) to Admin Asst for uploading to DocMgr, effective Fall 2021.

Donald McGarey

3/16/2021 6:49 pm [Reply](#)

I approve the changes and the exception.
