Dear Buccaneer –

Thank you for your interest in learning more about the many financial aid opportunities at FSW.

The Office of Student Financial Aid is here to help you pay for college tuition and related expenses so you can stay focused on earning your degree.

Did you know that 70% of FSW students graduate debt free? With hundreds of FSW scholarships available and access to federal financial aid funds, you too may be able to graduate debt free.

How do you find out what you qualify for?

If you haven't already, to apply for federal student aid, you will need to complete the Free Application for Federal Student Aid (FAFSA) online at [FAFSA](#). Students and parents will need an FSA ID (account username and password) to sign the form online. You can create an FSA ID in advance or while you fill out the FAFSA form at [FSA ID](#). Be sure to include the FSW school code 001477. Types of financial aid you may be eligible for include:

Federal Grants: Money that doesn't have to be paid back

Federal Work Study: Money earned through a job on or off-campus that doesn't have to be repaid.

Federal Student Loans: Loans that accumulate interest and must be repaid

Scholarships: Gift aid that is awarded based on several factors including, but not limited to, merit, financial need and donor-designated criteria. Once you complete the FAFSA, we strongly encourage you to apply for our FSW scholarships at [Scholarships. Completing this one application puts you in consideration for all of our FSW scholarships.](#)
