## Minutes for September 3, 2021

- I. **Welcome New OBOC Committee Members:** Dr. Angstrom, Prof. Piro, Prof. Ivy, Dr. Harris
- II. **April 2, 2021 Minutes approved**
- III. ***A Life on Our Planet*-Marketing**
  - Video series-faculty/staff reading a passage -make a 3 minute video
    - Staff/faculty will be encouraged to make their own video in which they read a short passage and say a few words about it.
    - Between 2 ½ and 4 minutes
    - Dr. Rollins will pursue with Dr. Jester and eLearning/I.T
    - Platform for publicizing/sharing the videos – consider TLC, OBOC website, Greg Turchetta
    - Ideally a weekly distribution/publishing of a different video
    - Consider a “teaser” title
    - Prof. Piro suggests fall semester focus on Part One “Witness Statement”; spring semester focus on Part Three “Vision for the Future”
- IV. ***A Life On Our Planet* - Distribution and Purchase of books**
  - 500 print version purchased for students in classes with professors indicating incorporation of the book in spring survey
  - Email sent to those professors asking for confirmation, few responses
  - FSW Library’s EReserves- 24/7 remote access for all students: pros/cons (cost, sustainability, distribution)
  - Keep in mind cost and distribution considerations for next book selection
- V. ***A Life On Our Planet* - curricular**
  - Since spring, majority of faculty are aware of new book, reception compared to years past mostly pos.
  - Faculty PD-TLC sessions
    - October PD Friday idea: Panel discussion with faculty members in different disciplines who are using the book, have them share, at end of sharing session- ask faculty participants to make an action plan-how they could incorporate the book-Dr. Krupinski to pursue with TLC
    - Consider having faculty members on panel make videos of their parts/topics
    - Possibly have a student attend/participate/make video
  - QEP- transdisciplinary use of the book, breaking barriers across disciplines
