

<ul style="list-style-type: none"> <li>➤ Additional resources in CoursePoint Enhanced: Picmonics and Concepts in Action.</li> <li>➤ Getting students registered for PrepU</li>   <li>➤ Students get to Mastery Level 7 quicker by setting up 5 question quizzes instead of 20 questions per quiz.</li>   <li>➤ Resources reviewed</li> <li>➤ Class schedule reviewed</li>   <li>➤ Using base 100 and percentages for course assignments Advantages: Students understand this method for grades. Do not have to change the point values of rubrics if the discussion or assignment weight is changed.</li> </ul>	<p>Summer faculty</p>	<p>Should we give students points for “participatory” activities such as Picmonics? Needs additional discussion.</p> <p>If students are on financial aid, they will be purchasing CoursePoint from the FSW bookstore. It has taken extra time to get from the FSW bookstore.</p> <p>M.Kruger will prepare a screen shot to aid students getting the resource from the Lippincott direct link.</p> <p>Student Schedule Template:</p> <ul style="list-style-type: none"> <li>➤ Read content for two chapters (one chapter for the first week.</li> <li>➤ View YouTube resources in the Module.</li> <li>➤ Complete assigned PrepU quizzes.</li> <li>➤ Complete a Case Study discussion covering last week’s content.</li> </ul> <p>For information only</p>
---	-----------------------	---

<p>➤ Case Study Discussion grading rubric, number of references Meeting the requirement = 3 Exceptional = 4 references</p> <p>Differentiates the exceptional students from the average (meets expectation).</p> <p>Students did not have an issue with this criterion. Most presented two sources for the main post and one source each for the two replies to peers.</p>		For information only
<p>Access to PrepU and set up orientation to CoursePoint Enhanced from Christie Dowdy.</p>	<p>M. Weiner</p> <p>B. Holbrook</p>	<p>J. Settanni needs access to CoursePoint Enhanced for Norris Tenth Edition. Request orientation for students for all summer students enrolled in Patho.</p> <p>Include the date and time of orientation in the letter sent to students.</p>
<p>CoursePoint Enhanced for Porth's Pathophysiology, Tenth Edition reviewed</p> <p>Demonstrated some features of CoursePoint including PrepU, gradebook, individual questions, faculty resources, etc.</p> <p>Points if students do not achieve a Mastery Level 7?</p>	<p>M. Kruger Summer faculty</p> <p>M. Kruger</p> <p>M. Kruger</p>	<p>Continue CoursePoint review after summer faculty get access to their courses.</p> <p>Ask Christie Dowdy regarding importing the Spring class assignments into the summer classes.</p> <p>For Spring 2021 will give 75 points for a Mastery Level 6 and 50 points for Mastery Level 5. Under 5, the student will get zero points.</p>
<p>Canvas Course shell</p>	<p>M. Weiner</p>	<p>Add S. Steiner as a TA to the summer Canvas course shell</p>
