- Updates from Social Sciences Search Committees
 - HIST (HG) –Brandon Jett
 - There have been, as usual, challenges finding candidates who are able/willing to move to FL to start teaching mid-AY, January; candidates have been selected and an offer has been put forward, but we'll see.
 - POS (Lee) –Bruno Baltodano
 - The search process hit a pot hole; FSW neglected to post the job externally; so the search timeline has been significantly delayed; consequently, the search will probably drag on well past this semester and therefore the hire will probably be for Fall 2022, not Spring 2022

- Assessment – Eric Seelau
 - POS 2041 Course Assessment error (Q3) –Bruno Baltodano
 - This will be corrected and an email will be sent to all POS 2041 adjuncts to upload updated assessment

- Curriculum – Sheila Seelau
 - New SS committee member – Randy Moffett

- Other business...
 - None
