- Student Engagement and Scott Wolfman Production- [Oct 25 at 1 p.m. Niall McCann via Zoom](#)
- Data Collection-Need to create a mini survey at end of each event using QR codes for students to provide feedback, and another survey for all students at end of semester (Dr. Schultz will work on and share with committee via emails in next few weeks)

- Spring Events Ideas-Long discussion, many ideas:
 - Dr. Jett and Dr. Harris will pursue “Idea Contest”
 - Student Engagement has “Day of Giving Back” perhaps do something on each campus
 - Idea Contest-invite students to come up with something we can do on campus, pick winners
 - Top 5 could present to Provost, hopefully garnering admin support
 - Consider launching Idea Contest at Spring Kick-Off Event
 - Dr. Cameron and Dr. Maetzke will pursue panel on international sustainability
 - Sustainability in other countries (faculty and intern’l students?)
 - Consider as part of Spring Kick-Off, might generate student ideas for Idea Contest
 - Other ideas-
 - More hands-on events on campus, outdoor events, how you do observation, what scientists do, etc. Consider a hands-on or outdoor series of OBOC events (somebody want to pursue?)
 - Student responses to book (from Dr. Kelvin)
 - Where can we share student responses to book. Consider a place on OBOC website with student quotes, or short videos.
