RE: Course Deletions-Five-Year Rule

In accordance with Florida Statute, 1007.24, FAC 6A-10.0331, and FSW College Operating Procedure 03-0605, the Academic Deans of each School (in consultation with faculty) have reviewed the list of FSW courses not taught during the five years preceding the effective date of the next catalog. As a result of this review, below is list of courses that are recommended for removal. I approve these course deletions effective for the AY 2022-2023 catalog. Via this memo, I request that this deletion list is added to the Curriculum Committee agenda as a Provost information item for the February 4, 2022 meeting.
