Importance: High

Good morning!

MUN 1710 and 2710 is still listed as duplicates in SCNS. Can you provide me an update on why this issue has not been resolved?

Sincerely,
Sangeetha

Good afternoon, Brenda!

Our office ran an accuracy check on current duplicate courses and we found the following. We may need to give a new course number to the duplicate one if it is still active.

I would like to get all the changes made by November 1st. Let me know if you have any questions. Thank you.

Sincerely,
Sangeetha
