Dr. DeLuca,

If you approve of the corrections below, please email a response. I will adjust the memo for the 2/4/22 meeting with the corrected dates. Or you can make corrections to the memo and email it back to me indicating your approval.

This needs to be completed by Fri 1/28 - but sooner is better!

Thanks,

Sheila

I found two errors in the attached memo that I've highlighted in red. Could you please correct these (or give me permission to do it)?

Fall 2020 --> Fall 2022  
12/15/21 meeting --> February 4, 2022 meeting

Thank you!

Sheila
