10:30am SS Library Liaison (Jane Charles, library):

- Jane provided updates on library offerings

Civic Literacy (Tom Donaldson/Joel Reinking):

- FSW’s performance on the Civics testing was not good. we had a 66% rate. Suggestion to form an ad hoc committee to look into the issues. Need to get more data on the issue. Correlating performance between POLS and AMH, across FT, DE and adjunct faculty, and across teaching modalities would be useful.
- Number taking the test vs the number enrolled is significantly disproportionate (1000+ students take AMH 2020, but less than 300 took civics exam)
- Civics Exams Sample Questions:
<https://www.fldoe.org/core/fileparse.php/5663/urlt/FCLESampleItem.pdf>
- (Brandon Jett)—took the exam; what study tools can we give students outside the classroom so they can prepare for exam?
