

ACADEMIC TECHNOLOGY MINUTES

Date: January 21, 2022

Time: 2-3

Approval of Minutes

The minutes from the November meeting were posted on Canvas and approved.

e-Learning Update

Roz updated the committee on the new Canvas quiz that is presently available for review.

Jason reported that the Proctorio vs. Proctor U pilot will continue into Spring. Volunteers are welcome.

eLearning Survey

Ellie and Roz went through the new ATC survey with the committee. Once the questions are put into survey form in Qualtrics, a link will be sent out to committee members so they can take the survey and report on the time it takes to complete and any questions that may need tweaking.

Next Meeting

Our next meeting will focus on discussion relevant to the contract language in preparation for contract negotiations this spring and summer. Topics for discussion will be posted on Canvas so members of the committee can think about any changes or additions that may need to be negotiated.
