

Grade Level Collaborative Meeting Minutes from Nov. 1, 2022

Grade 9 Minutes:

2. Others discussed the issuing late passes for those who come in late after lunch to go to the bathroom
3. Several students of concern were discussed
 - a. [REDACTED] - should she go to Hospital Homebound now that she'll miss most of this quarter?
 - i. Some teachers were willing to do the HH duty time
 - b. [REDACTED]
 - i. There was really no hope of salvaging first quarter grades in WH, English, and perhaps math. She should focus on doing well second quarter.
 - c. [REDACTED]
 - i. Has shown no improvement since the parent conference.
 - d. [REDACTED]
 - i. No hope of salvaging first quarter grades in WH and English. Bio tests would be allowed to be made up to help prepare her for the EOC, but could be done in a manner to not overwhelm her. She would focus on just the study guides for the tests to be made up, but the primary focus would be on second quarter.
 - e. [REDACTED]
 - i. Phone use and behavior issues.
 - f. [REDACTED]
 - i. Has shown improvement, but still has some inappropriate comments.
 - ii. Other students will call him out for the inappropriate behavior
 - iii. Some have reached out to help him (Hope Glover; Ellie Smith, in particular)

Grade 10 Minutes:

Attendance: Michelle Wier, Galina Clarke, Dawn Nolan, Krissy Platt, Jesse Sutton, Greg Winkler
The FSWC Staff voted for Option B in regards to our School Recognition funds. It will go forward to our SAC/PAC council on Thursday morning for their approval.

- Grades due by the end of the workday on Tues., Nov. 8th. Remember that is an on-campus or remote workday.
- Entire staff needs to vote today for our Teacher of the Year and Support Staff of the Year school-based nominees.
- Let's tighten up a bit with students in regards to cell phone usage in the classroom, wearing their ID badges, dress code violations, etc. – they seem to taking our kindness for granted so we need to move forward with consequences such as parent notification, lunch detentions, and possibly a discipline referral if warranted.

Requested Michelle to make announcements about ID badges at least once a week to remind teachers.

Cell phones will not be allowed in class (students will use computers for all work), at least for the next few weeks.

Dress code (needs updating in excel); Freshies feel teachers are prejudiced towards the girls (boys are NEVER) written up!

- Students of Concern (Academic, Behavioral, or Social/Emotional).

[REDACTED] Not turning in homework, completing assignments.
