10th Grade Cohort

K-122

Present: Hilary Davey, Dawn Nola, Jesse Sutton, Greg Winkler

1. The draft schedule for Sem 1 Exams was approved by all present.
Those giving exams after winter break need a bit more discussion to create a schedule that is best for students.
2. Teachers present understand that tutoring records should be turned in, but have not been asked to tutor frequently or at all this semester.
3. The list of teachers who covered for another teacher during their planning during Sem. 1 was error free for this group of teachers.
4. Google form for club/activity stipends noted; cannot be opened through page but is accessible through an email sent by Michelle Wier.
5. STUDENT DISCUSSIONS –
Same students of concern: ~~Jacob Chung, M. Jean, Ahmed Mamon, Nathan Dorneval, Marcelo Gomez~~
~~Tava Holder~~—extra emotional as she is experiencing issues at home (parents)
As a group, the sophomores are nice, but not especially curious students, which is surprising given how many of them are dual enrolled.
6. Teachers were reminded to vote—BUC PRIDE (Student of the Month)
Nominations due today: <https://forms.gle/dVKiT1aBiP1UWkAC9>
