Assessment (Eric Seelau):

- With new contract, coordinators might be changing (one for entire SoAHSS...more info later).
- Reports for spring will come out soon, and we'll review our respective areas soon.

Curriculum (Sheila Seelau):

- Child Psych syllabus change will be pulled and resubmitted in FA23 (curriculum requested this since nursing program needed precedence)—seek out Rebecca Harris in FA23 to make sure Child psych is addressed
- Sheila will be stepping down as CC chair (Dr. Rebecca Harris is new contact)
- Sabine Maetzke: Wants to make sure the new syllabus for INP 2390 Hum Rel and Bus Industry is added to Simple Syllabus as it is not in document manager right now

eLearning (Leslie Bartley):

- New Quizzes and “old” Canvas quiz will both be available for a while longer (New Quizzes was to be in effect 2024, but old quizzes will remain)
- There will be more Simple Syllabus trainings
- QM certification for online courses—can get paid for getting course QM certified
- DEV 101 is being updated, current enrollees need to be done by May 5. Updates will not require attendees to attend workshops, will be more self-paced; no money for finishing DEV 101 anymore, will not get paid for designing a course (which is now called a departmental course), but will get reassigned time
