 Indicates No Payment Due

revised 5/12/23

The column "# of Pays" for Full-Term, A Term and B Term indicate the number of pay periods the employee can expect if the contract is received by the correlating deadline. If the contract is received after the deadline indicated; the number of pays is decreased accordingly. Any contracts received after the deadline will be processed on the following pay period.

Important: If for any reason a contract is received after the semester has ended, it will be processed as a one time lump sum payment on the next available pay period.
