General information:

Curriculum Committee meetings are open to all. We meet monthly via Zoom. Meetings are recorded, and minutes are kept and disseminated in accordance with all FSW and state regulations governing open meetings. Although we encourage open discussion, only faculty members of the Curriculum Committee are allowed to make motions and vote on proposals.

Proposers of curricular actions must designate a faculty member to present the proposal at the meeting. The proposer/presenter's academic Dean must also be present to support the proposal.

This is a brief agenda to notify the FSW community of the course and program change proposals that will be heard at the April 21, 2023 meeting. Full proposals, attachments, and comments are available in Curriculog.

- Curriculog is accessible through the Portal under Faculty Academics: Faculty Resources, and under College Resources: Office of Academic Affairs.
- Please send requests for a Curriculog account to Dr. McClinton mmccclinton@fsw.edu
