

## **Classification Description**

---

**Job Title: Clinical Coordinator**

**Pay Grade: 111**

**Job Code: 3283**

**FLSA Status: Exempt**

### **Job Purpose**

This is responsible, professional work in coordinating and implementing instructional support for all affiliated clinical sites utilized by programs within the School of Health Professions. Programs include, but are not limited to Cardiovascular Technology, Dental Hygiene, Emergency Medical Services, Fire Science Technology, Health Information Technology, Human Services, Radiologic Technology, Respiratory Care, as well as any additional academic programs that may emerge.

### **General Responsibilities**

#### **Essential Functions**

Teaches in the pre-clinical, clinical, laboratory, simulation education, and/or didactic setting, as determined by the program director.

Contributes additional instructional support services, as assigned.

Develops, schedules and ensures instruction in the clinical affiliates and sites is coordinated with didactic and laboratory courses of instruction and that all students receive adequate programmatic and technical instruction, exposure and experience.

Supervises and coordinates schedules of clinical instructors, adjunct faculty and clinical associates within the program; provides guidance and direction to assigned clinical instructors, adjunct faculty and clinical associates for proper evaluative and instructional techniques.

Evaluates clinical experiences at affiliated clinical sites, in terms of quality, quantity, and appropriateness of student learning experiences using various techniques, including student evaluations.

Performs as a liaison with clinical sites which are used for extramural clinical or laboratory educational experiences.

Develops and maintains records that demonstrate outcome measures such as clinical experiences, student records, and employer data.

## CLINICAL COORDINATOR

Provide students with access to hospital/clinical affiliate orientation documents and any other relevant documents required by the hospital/clinical affiliates. Monitors student's compliance in completing, submitting, and/or uploading any required health reports, drug screens, criminal background checks, and FSW and hospital/clinical affiliate's requirements, as determined by the program director.

Visits clinical sites on a regularly scheduled basis to ensure uniform and consistent practice within accreditation guidelines.

Participates actively in assigned program curriculum planning and development within accreditation guidelines.

Supervises the evaluation of student clinical performance in the cognitive, affective, and psychomotor domains of learning; communicates regularly with the program director regarding student performance and curriculum issues.

Participates in admission selection efforts.

Maintains inventory of appropriate supplies, patient forms and equipment at clinical and/or laboratory training sites.

Participates in departmental, committee and other College meetings; attends local, state, and regional meetings to support the development of assigned programs.

Performs other duties as assigned.

These essential job functions are not to be construed as a complete statement of all duties performed; employees will be required to perform other job related duties as required. An employee with a disability is encouraged to contact the Human Resources Office to evaluate the job in greater detail in order to determine if she/he can safely perform the essential functions of this job with or without reasonable accommodation.

### **Knowledge, Skills and Abilities**

#### **Minimum Qualifications**

Baccalaureate degree from a regionally accredited institution of higher education in the assigned discipline.

Credentialed and/or licensed in good standing with appropriate program specific qualifications.

Three (3) years full-time professional work experience in the discipline area.

Demonstrated skills with various computer applications.
