

Classification Description

Job Title: Instructional Associate I,
College Tutoring

Pay Grade: 104

Job Code: 4005

FLSA Status: Non-Exempt

Job Purpose

The Instructional Associate I provides developmental and course-specific academic tutoring via independent consultations and promotes learning strategies to aid in course-level success, overall skills development, and the retention of students. The Instructional Associate I support students enrolled in basic and intermediate level College courses. This position reports to a Senior Coordinator, College Tutoring.

General Responsibilities

Essential Functions

Conducts tutorial consultations for students in basic and intermediate level College courses, such as oral communications, math, or writing.

Promotes the tutoring center(s) by visiting classes to inform students of services and events.

Develops and facilitates workshops for students in discipline-specific topics as well as general study and/or learning skills.

May initiate, as directed by a Coordinator or Senior Coordinator, communication with faculty or other department staff to provide feedback on student attendance, clarify course assignments, and/or define faculty member expectations as would be required to assist with student progress.

Provides group study or supplemental instructional sessions for defined courses.

Provides mentoring, coaching, and informal assessment of student tutors in coordination with a Coordinator of Peer Tutoring.

Collaborates with the Tutoring Center leadership to ensure the seamless integration of classroom and center-based activities. This includes, but is not limited to, staying apprised of curriculum and course changes for the purpose of planning and implementing support for students in content areas.

Ensures that the collection of student-related data (via TutorTrac & Qualtrics or other designated software) is completed in a timely and accurate manner consistent with Tutoring Center policies and procedures.

INSTRUCTIONAL ASSOCIATE I, COLLEGE TUTORING

Monitors and makes recommendations to the Senior Coordinators of College Tutoring for enhancements or changes to FSW webpages and social media, digital signage, hardware, and software which supplement student learning/information and/or warehouse data collection for Tutoring Centers, such as TutorTrac or a similar product.

Participates in ongoing professional development and stays informed of new and best practices for learning support and tutorial support programs.

Designs and collaborates with leadership team for implementation of staff professional development activities within a designated content area, such as writing/oral communication or math content areas.

Performs required professional functions, such as serving on College committees, attending meetings, etc., as assigned.

Maintains neat and orderly facilities to ensure an environment conducive to student learning; ensures facilities and equipment are in proper working condition; takes appropriate precautions to ensure a safe and secure learning environment.

Maintains assigned work area including preparing materials, organizing materials and supplies, and scheduling activities and learning experiences within the area of assignment.

Able to travel to other campus locations, as needed.

Performs other duties as assigned.

These essential job functions are not to be construed as a complete statement of all duties performed; employees will be required to perform other job-related duties. An employee with a disability is encouraged to contact the Human Resources Office to evaluate the job in greater detail in order to determine if she/he can perform the essential functions of this job with or without reasonable accommodation.

Knowledge, Skills and Abilities

Minimum Qualifications

Associate's degree from a regionally accredited institution of higher education in education, English, or mathematics.

One (1) year of tutorial/teaching experience in the appropriate subject area in an educational setting.

OR

Associate's degree from a regionally accredited institution of higher education in education, English, or mathematics.
