

Classification Description

Job Title: Instructional Associate III,
College Tutoring

Pay Grade: 108

Job Code: 4241

FLSA Status: Non-exempt

Job Purpose

This is a specialized professional and technical work position in support of tutoring and other academic support options that are provided in direct service to students through College Tutoring and Library Services. This position works independently and is engaged in maintaining the daily operations for a discipline specific center's work flow, such as for oral communications, math/science, or writing. This position conducts orientations within the Tutoring Center, overviews of services during College classes, and Center orientations for students and faculty. The Instructional Associate III provides developmental and course-specific academic assistance via independent consultations and promotes learning strategies to aid in course-level success, overall skills development, and the retention of students. The Instructional Associate III is responsible to support students enrolled in intermediate and advanced level College courses. This position serves as a mentor to Instructional Associate I and II staff and reports to a Senior Coordinator, College Tutoring.

General Responsibilities

Essential Functions

Conducts academic content tutorial consultations for students in a designated content area, such as oral communications, math/science, or writing services for intermediate and advanced level College courses.

Schedules and coordinates with faculty for Center-specific student orientations. Conducts orientations within the Tutoring Center or provides overview of services during College class.

Develops and conducts Center orientations for students and faculty.

Serves as a mentor to Instructional Associate I and II staff providing first line support in answering their questions, general guidance on Center practices and procedures, and sharing knowledge to grow their tutoring skills.

Develops and facilitates workshops for students in discipline-specific topics as well as general study and/or learning skills.

May initiate, as directed by a Coordinator or Senior Coordinator within Library Services, communication with faculty or other department staff to provide feedback on student attendance,

INSTRUCTIONAL ASSOCIATE III, COLLEGE TUTORING

clarify course assignments, and/or define faculty member expectations as would be required to assist with student progress.

Develops and plans activities for group study or supplemental instruction sessions for defined courses.

Provides mentoring, coaching, and informal assessment of student tutors in coordination with the Senior Coordinator(s).

Collaborates with the Tutoring Center leadership to ensure the seamless integration of classroom and center-based activities. This includes, but is not limited to, staying apprised of curriculum and course changes for the purpose of planning and implementing support for students in content areas.

Ensures that the collection of student-related data (via TutorTrac & Qualtrics or other designated software) is completed in a timely and accurate manner consistent with Tutoring Center policies and procedures.

Monitors and makes recommendations to the Senior Coordinators within Library Services for enhancements or changes to FSW webpages and social media, digital signage, hardware, and software which supplement student learning/information and/or warehouse data collection for Tutoring Centers, such as TutorTrac or a similar product.

Participates in ongoing professional development and stays informed of new and best practices for learning support and tutorial support programs.

Designs and collaborates with leadership team for implementation of staff professional development activities within a designated content area, such as writing/oral communication or math content areas.

Performs required professional functions, such as serving on College committees, attending meetings, etc., as assigned.

Maintains neat and orderly facilities to ensure an environment conducive to student learning; ensures facilities and equipment are in proper working condition; takes appropriate precautions to ensure a safe and secure learning environment.

Maintains assigned work area including preparing materials, organizing materials and supplies, and scheduling activities and learning experiences within the area of assignment.

Performs other duties as assigned.

These essential job functions are not to be construed as a complete statement of all duties performed; employees will be required to perform other job-related duties. An employee with a disability is encouraged to contact the Human Resources Office to evaluate the job in greater detail in order to determine if she/he can perform the essential functions of this job with or without reasonable accommodation.
