Agenda/Summary

Cristy discussed the Florida Certification Board requirements with the team. The team discussed the different areas in which FSW is listed as a training provider on the FCB website: Addictions, Mental Health Peer Services, and Prevention. The team agreed it would be good to continue to offer being a training provider for addictions since we are offering the Addictions CCC. Cristy will follow up with the FCB to find out what we are listed for under Mental Health and Prevention. The team agreed that it would not be reasonable to keep advertising the Peer Specialist and to have it removed.
