

H/G Science Committee Meeting Minutes

Meeting Minutes

HG Science Committee Meeting

Date: April 3, 2025

Location: H/G Campus

Attendees:

- Professor Elimelic Medina
- Professor Dr. Katrin Koel-Abt (Chair)

1. Call to Order

The meeting was called to order by Professor Koel-Abt.

2. Agenda Topics

a. Organization of the Shared Laboratory

- Both professors reviewed the current organization of the shared laboratory.
- Key considerations for optimal lab functionality and resource accessibility were discussed.

b. Reusable Aprons for Experiments

- The necessity of acquiring reusable aprons for biochemical and chemical experiments was discussed, with a particular focus on their importance for the 1010L courses.
- Both professors agreed that 30 reusable aprons would adequately meet the lab's needs.
- Professor Koel-Abt committed to contacting Dean Elizabeth Schott to request funding for the purchase of these aprons.

3. Action Items

- Dr. Koel-Abt will draft and submit a funding request to Dean Elizabeth Schott for the acquisition of 30 reusable aprons.

4. Adjournment

The meeting was adjourned following the discussion of all agenda items.

Prepared by:

Dr. Katrin Koel-Abt, Professor for Anatomy and Physiology
