#### I. Satellite:

- North Collier Fire, Paramedic cohort 23-2024
  - ✓ Have to duplicate the main campus!
  - ✓ Expected objective, terminal competencies and hours the same
  - ✓ Testing (at the main campus for finals, written and psychomotor)
  - √ Student performance, SOPs, Handbook

### II. Topics:

- Meeting community needs in Collier County, access to education to a community who does not have an accredited paramedic program in that county.
  - Already have a built relationship with North Collier Fire as our fire program is held at this location. This location is also approved through "SACS COC" accreditation.
- Program Director, Medical Director, and the Dean of SoHP to oversee
- Logistics same resource allocations as main campus
- ♣ Educational space, equipment to justify the number of students to be enrolled
- Demonstrate clinical and field access for student to support education of the program, can be same as main campus.
- ♣ Satellite, personnel, Lead Instructor to be named and identified
- Mike will ask Does the program director have the band width to fulfill both roles? (if listed as lead instructor to handle responsibilities)
  - ✓ Administration side to help fulfill paperwork that is overshadowed by P.D.

- Medical Director Question will be How will he be engaged with the program at the other location, interact with the students, access quality of the education?
  - Close to main campus, next county over.
  - Zoom conference calls If live from one campus to be recorded for other campus so the same lecture is demonstrated at both campuses by Medical Director.
  - Present during all psychomotor midterms and finals
  - Reviews all finals for both comprehensive and psychomotor scenarios.
- ♣ Student Minimum Competency (SMC) reports same at both locations
- Employed by the agency of satellite but answer and reasonable to program director.
- Resource allocation mentioned multiple times!
  - ✓ Clinical and Field, affiliation agreements venues Fisdap for PCRs and scheduling
  - ✓ Learning space for lecture/lab space

# Emphasized by CoAEMSP team:

- Consistency, for all campuses
- ♣ Oversight, by Medical Director, Program Director, Dean
- ♣ Engagement, of the staff Monthly meetings and continuous communication on lecture plans, material(s), and lab topic scenarios/skills

Utilization of the simulation lab

## Focus items mentioned by Mike Miller:

- > Tour of the facility to see spaces
- Lab facility to see learning space
- Equipment reviews of items (ventilators and high-fidelity birthing manikins in the simulation lab.)
- ♣ Fee Satellite, \$500 per location per year
- State Notified of Satellite campus approval by CoAEMSP?
  - Notify the state! (depends state to state)

## Question(s) to Mike Miller, if brought up:

- Site visit team will want to visit the satellite campus...
  - ➤ Since our Site visit is scheduled for August 10<sup>th</sup>-11<sup>th</sup>, will this be apart of the visit as the cohort would not have started at this location, as of the site visit dates?
