

Classification Description

Job Title: Director, Accounting Services

Pay Grade: Administrator

Job Code: 4754

FLSA Status: Exempt

Job Purpose

The Director of Accounting Services supports the Associate Vice President of Finance and Accounting/CFO hands-on leadership and assistance to the accounting and financial services team. As a hands-on leader, the Director leads and participates in the accounting, compliance, and internal controls related to financial reporting activities of the department. This position is primarily responsible for, but not limited to, managing the overall accounting operations, travel, construction, and fixed assets/inventory of the College. The position reports directly to the Associate Vice President of Finance and Accounting. This is a College Administrator on an annual contract position.

General Responsibilities

Essential Functions

Performs high-level accounting duties and complex financial analyses. Maintains knowledge of GAAP, GASB, cash and accrual-based accounting, financial statement preparation, and fixed asset accounting methods.

Directly supervises the activities of Travel Specialist(s) and Accountant II staff in a manner that ensures policies and procedures are followed. Plans and directs the recruitment, training, and development of subordinates within assigned areas of responsibility. Provides leadership and direction for all assigned staff.

Works with FSW's IT department to coordinate any testing required to update the Banner system for travel and fixed assets related functions.

Verifies accuracy and coordinates activities involved in the monthly and annual preparation of various financial documents, reports, and federal/state tax reporting including, but not limited to, State Sales Tax Returns, Federal Form 1099, and State Schedule of Abandoned Property.

Provides guidance and training to College faculty, administrators, and staff in the application and explanation of relevant laws, regulations, and policies related to areas of responsibility. Assists other staff in determining the proper treatment of unusual accounting transactions to ensure all accounting practices comply with legal guidelines, state statutes and established accounting principles.

DIRECTOR, ACCOUNTING SERVICES

Oversees travel, construction, fixed assets/inventory, and year-end closing procedures. Assists in detailed and comprehensive audits of financial operations and identifies solutions to rectify issues or discrepancies as they arise.

Oversees the maintenance of the fixed asset depreciation tables ensuring depreciation is accurate and timely.

Ensures the physical inventory of the College is maintained and accounted for annually.

Collaborates with Associate Vice President of Finance and Accounting regarding Board items related to areas of responsibility.

Reconciles general ledger accounts and account analyses for review by the Associate Vice President of Finance and Accounting; prepares department and College-wide ad hoc reports, as needed. Assists in the development of the Annual Financial Report (AFR), MD&A, and notes.

Develops and maintains College Operating Procedures for assigned areas and ensures compliance with local, state, and federal regulations within areas of responsibility.

Provides oversight and monitoring of College scholarship awards and reconciliations. Draws necessary cash on federal and state awards, as needed. Directs staff in the preparation of all scholarship reports.

Functions as department liaison to Financial Aid to monitor and assist with scholarships awarded. Responds to their requests and emails as needed. Assists with completion of annual Fiscal Operations Report & Application to Participate (FISAP).

Responsible for the monthly reconciliation of all federal awards received through the Department of Education's G5 payment system to the College general ledger and Financial Aid system. Reviews and audits reconciliations prepared by Financial Aid to ensure they are accurate, and in balance with monthly reconciliation.

Reviews monthly scholarship report and prepares and enters journal voucher to transfer funds as needed. Researches and resolves any issues with scholarship funds.

Evaluates all federal cash needs weekly; prepares cash draw request, as needed.

Acts as a point of contact for College banking. Prepares account transfers and wires for approval and release by Associate Vice President of Finance and Accounting. Submits weekly ACH and positive pay files to bank in Director of Procurement Services' absence and resolves any issues that arise with banking.

Assists in maintaining the general and subsidiary ledgers and the development and refinement of database software. Audits and ensures data integrity and performs accounting functions required to correct or maintain data. Recommends and assists with the implementation of accounting practices, internal controls, Banner processes, College policies and procedures while supporting continual efforts in creating efficiencies and ensuring compliance.

DIRECTOR, ACCOUNTING SERVICES

Works with both state and external agency auditors. Provides necessary information and answers audit questions, as requested.

Performs other duties as assigned.

These essential job functions are not to be construed as a complete statement of all duties performed; employees will be required to perform other job-related duties as required. An employee with a disability is encouraged to contact the Human Resources Office to evaluate the job in greater detail in order to determine if she/he can perform the essential functions of this job with or without reasonable accommodation.

Knowledge, Skills and Abilities

Minimum Qualifications

Bachelor's degree from a regionally accredited institution of higher education in finance, accounting, business or related field.

Five (5) years of full-time professional work experience in accounting, financial analysis, budgets or related field, to include a minimum of two (2) years of supervisory experience.

Demonstrated knowledge of GAAP, GASB, cash and accrual-based accounting, financial statement preparation, and fixed asset accounting methods.

Demonstrated experience using a personal computer, office software such as MS Office and electronic mail.

Demonstrated ability to:

- Think critically and creatively, have a high standard of integrity, and be motivated to incorporate best practices into the organizational culture.

- Establish and maintain effective working relationships with faculty, staff, students and the public.
- Work in a fast-paced, demanding environment.
- Work independently and follow through on assignments.
- Exhibit solid organizational skills and be detail oriented.
- Work with a variety of constituencies and be willing to contribute to a team effort.
- Exercise discretion and good judgment at all times and in all contexts and maintain confidentiality.
- Work effectively with all constituencies of the College.

DIRECTOR, ACCOUNTING SERVICES

- Collect, organize, analyze and present information in a meaningful manner.
- Collaborate and be effective working with diverse populations.

Critical Skills/Expertise

All employees are expected to:

- Promote a common purpose consistent with stated College goals and demonstrate a commitment to students and the learning environment.
- Possess the knowledge of general written standards and procedures utilized, and have the ability to read, interpret, and follow procedural and policy manual related to the job tasks.
- Demonstrate the ability to respond to supervision, guidance and direction in a positive, receptive manner and in accordance with stated policies.
- Provide quality customer service by creating a welcoming and supportive environment.
- Present a professional image in word, action and attire.
- Demonstrate professionalism in dealing with a diverse population while understanding and respecting each other's view of the world, personalities and working styles.
- Conduct oneself in a manner consistent with the College's standards of ethical conduct.
- Apply effective techniques to create working relationships with others to achieve common goals; successfully communicates and collaborates with others to achieve goals.
- Demonstrate skills necessary to look at situations and processes critically to make recommendations for improvement.
