

Classification Description

Job Title: Manager, Risk, Contracts, and Records Management

Pay Grade: 118

Job Code: 4063

FLSA Status: Exempt

Job Purpose

This specialized position supports the Director of Risk & Contract Management within the Office of Legal Affairs. The role manages and monitors the day-to-day processes of the College's comprehensive risk management and records management programs, identifying and assessing exposures that may impact the reputation, safety, security, or financial stability of the College.

General Responsibilities

Essential Functions

Manages daily operations for Risk Management including timely claim reporting and administration of student athletic injuries, international travel claims, allied health claims, intern student accident claims, and property and casualty claims through the appropriate claims portals; assisting the Director of Risk & Contract Management in gathering evidence and documenting first and third-party claims through collaboration with other College departments.

Assists in the completion of the College's numerous insurance applications and renewals of existing policies. Issues premium payments and assessments to Florida College System Risk Management Consortium, submits insurance schedules and endorsement change requests to the Consortium. Works with appropriate departments to gather censuses and other supplemental insurance documentation for submission of annual enrollment forms to the Consortium for property, casualty, allied health, professional liability, fine art, cyber risk, camps, athletics, crime, and other ancillary insurance coverage the College maintains or acquires.

Represents the College as the Records Management Liaison Officer for the State of Florida. Oversees records management, retention scheduling, and disposition per the Department of State, Division of Library and Information Services' rules. Attends Bureau of Archives and Records Management seminars, ARMA, and Florida RIMS conferences and meetings, as needed; coordinates and manages the approval and processing of records destruction with other College departments according to Bureau of Archives and Records Management retention schedules; conducts annual records management trainings for College employees.

Assists in reviewing contract submissions, manages and tracks the required contract affidavits and certificates of insurance. Manages employees' Driver Agreements and ensures employees who drive as a part of their job duties have valid Florida driver's licenses per operating procedures. Provides proof of College insurance coverage as needed or requested by third parties.

MANAGER, RISK, CONTRACTS, AND RECORDS MANAGEMENT

Manages College-wide and departmental-specific employee safety training to reduce accidents, occupational illnesses, and exposure to long-term health hazards. Creates and manages Workplace Safety Training for annual College-wide Compliance Training.

Assists in conducting risk assessments, collecting and analyzing documentation, statistics, reports, and market trends that may affect the College. Is a member of the Strategic Risk Team (Safety Committee). Helps ensure risks are identified early to mitigate any threat to College resources. Assists in implementing the overall risk management process for the organization. Drafts risk reports for the Director of Risk and Contract Management.

In the event of a disaster, assists in FEMA and insurance claims handling including verifying claims for accuracy, managing claims and submitting all files to the FEMA portal, and filing other reports as necessary. Works in collaboration with Facilities staff to assess, document, and report damage to the Florida College System Risk Management Consortium.

Reviews and distributes product recalls to appropriate departments and follows up on appropriate measures to be taken. Maintains positive communication with colleagues and community members by exhibiting professionalism and making positive contributions to workplace morale.

Seeks out professional development opportunities and maintains professional licensure and certifications.

Attends staff meetings and participates in conferences and other trainings to enhance job performance.

Performs other duties as assigned.

These essential job functions are not to be construed as a complete statement of all duties performed; employees will be required to perform other job-related duties as required. An employee with a disability is encouraged to contact the Human Resources Office to evaluate the job in greater detail in order to determine if she/he can perform the essential functions of this job with or without reasonable accommodation.

Knowledge, Skills and Abilities

Minimum Qualifications

Bachelor's degree in risk management, finance, a business-related field or legal studies from a regionally accredited institution of higher education.

Four (4) years of full-time work experience in a risk management or insurance-related field.

Current Florida Adjuster's (620), Florida General Lines Agent (220), Florida Customer Service Representative (214) license, Records and Information Management certification (CRIM) or Associate in Risk Management (ARM) insurance designation in good standing. An appropriate combination of education and experience may be substituted.

Demonstrated experience using a personal computer, office software such as MS Office/Excel and electronic mail.
